PLANNING YOUR WEDDING

CONSULTATION

If you are planning your wedding and you like what you see call 614.437.8404 or e-mail brian@briankellogg.com to schedule a consultation via Skype or in person. There is no cost or obligation. This is a chance for us to meet face to face and see if we are a good fit for each other. During the meeting you will be able to view sample albums, canvas wraps for the wall, photos printed on metal, and a ton of other options. If you like my vision I would be honored to photograph your wedding.

BOOKING

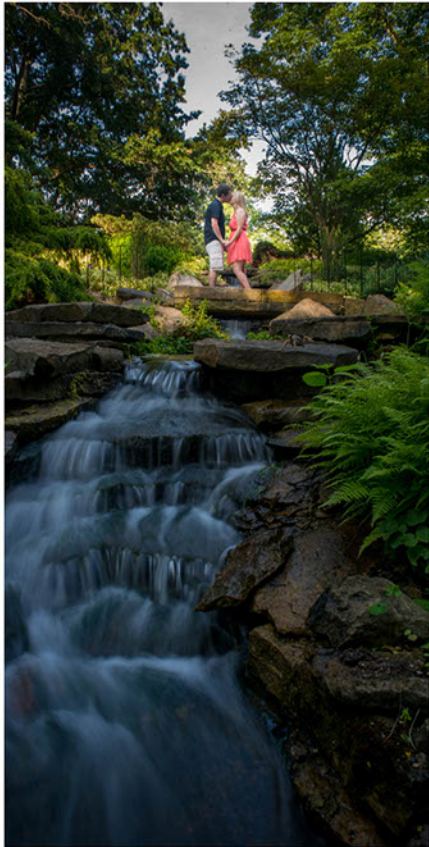

We will both look over the contract and I will explain everything page by page. You can ask any questions you like at this time. A \$900 non-refundable deposit is required to reserve your date. Once the contract is signed we will then schedule the engagement session and I will send you a form to fill out to get all the wedding details.

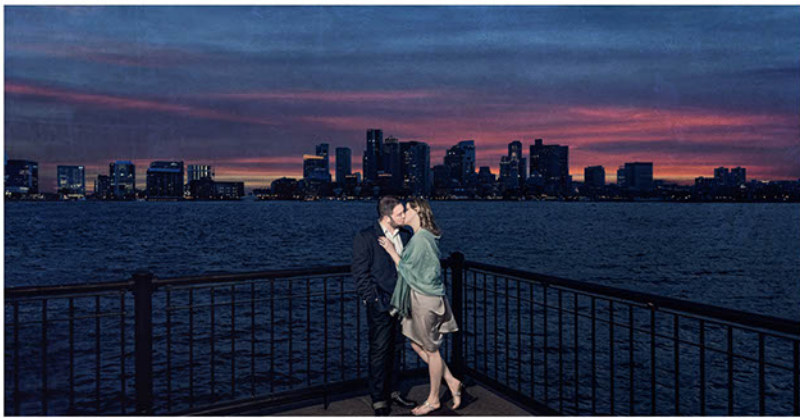

ENGAGEMENT IMAGE VIEWING

After the engagement session we will go over the images together on my projector. You will see a quick slideshow of your images first then we can go over what prints you would like. I have made convenient Engagement Collections for you. There is no obligation to go with a collection or purchase any prints. I just want you to first view the images on a big screen rather than a small laptop or PC.

WEDDING IMAGE VIEWING

About 2-3 weeks after the wedding we will meet to go over your images and album design. This will be the same process as the engagement viewing with similar print packages. Sometimes family comes with the couple to decide on photos. Once the album is finalized the album will take a few weeks to print. After that if your package came with the 'client for life' you can call me if you need photography for any reason once a year with no session fee for life.

REVIEWS

Brian was outstanding to work with before, during, and after our wedding! He helped make our entire day run smoothly and the photos were amazing. Brian was able to capture the best moments from our wedding. Our photo album is truly how our memories will last forever. Brian was extremely professional and we would absolutely recommend him to our closest friends and family!

 Jessica

We enjoyed working with Brian. He was extremely professional and SO helpful on our wedding day. He not only photographed our best moments, but he also provided insight and helped out SO much! I would recommend him to EVERYONE!

 Cindy

Brian did a great job with our wedding photos. They were absolutely beautiful and he was so open to doing whatever we had imagined. He also was willing to come to our rehearsal dinner at my mother in law's request.

 Michelle

There was a moment that I won't ever forget where Brian wanted to take some sunset pictures of us by the Scioto waterfront. By the time we got to the dock, the sun was already set and I figured it would be too dark to get a decent picture. Brian took a few snaps and let me view one he took and I just let out a huge gasp! The photo was so beautiful. The riverfront and sky was this amazing purple/blue and it looked like my husband and I were glowing in the foreground. I highly highly recommend Kellogg Photography!!
